Race Series Standings

Richard Lalancette has developed the platform for the Race Series Standings for Crews. We are currently in test mode. The Standings will be created through standardized results obtained from festivals – and posted imminently following the festival.

Race Series Events

Dates are beginning to show on the DBC calendar of events for 2021, which now includes a link to the festival website.

DBC Race Series committee

Thank you to the first RS Committee! Event application format was compiled allowing the ability to rate festivals based on the updated Race Series Outline (added points for para class). Committee members contacted festival organizers in their regions. Race Series Overview webinar aired on April 7. Updated festival terms and conditions were added to Spordle.

Festival Directors Virtual Training Sessions

We are working on a series of virtual training session for Festival Directors – creating a mentorship program.
