

Michael Wu has been involved in the dragon boat community since 2006.

He has experienced National Championships, CCWCs and World Dragon Boat Championships as a paddler and a coach, and fostered the growth of the U24/University division in Montreal.

More recently, he's focused on coaching mentorship, providing counselling to various parties. He hopes to stay involved in the continued growth of the sport.

Michael is a member of the board of directors representing the Eastern Region and is an active member of the Technical Committee.

Michael has degrees in Health Science and Kinesiology.
