This sheet provides the highlights of the revisions to the standard CCWC Protocol that are specific to being awarded an entry for the 2022 CCWC. This overview does not capture all aspects of the Protocol and is not intended to replace the Protocol.

If there is a conflict between any provision of the information presented here and the 2022 CCWC Protocol, Rules of Racing and any provision of the IDBF Competition Regulations and Rules of Racing, the provision set out in the 2022 CCWC Protocol will govern.

- All individuals appearing on a CCWC Crew List must have been DBC members in 2021 and 2022 (with your club, another club or as an independent in 2021)
